File #: 19-4588, **Version:** 1

An ordinance correcting Ordinance No. 4740, which granted Oncor Electric Delivery Company, LLC, its successors and assigns, the nonexclusive right to use and occupy rights-of-way within the City of Mesquite for the construction and operation of an electric transmission and distribution system, and which was approved by the Mesquite City Council after readings on October 21, 2019, November 4, 2019, and November 18, 2019, providing a severability clause, and providing an effective date.

On November 18, 2019, the City Council voted unanimously to approve Ordinance No. 4740, which granted Oncor a nonexclusive franchise to use and occupy the City's rights-of-way for the construction and operation of its electric transmission and distribution system.

Subsequently, it was found that a formatting error occurred in the approved ordinance when it was converted from the Company's form to the City's style of ordinances.

This ordinance will correct Ordinance No. 4740 by correcting the paragraph crosswalk referencing of Section 7 in the Ordinance. This correction is only typographical and makes no other changes to any terms or conditions already approved by both parties.
