A resolution authorizing the City Manager to finalize and execute the Project Specific Agreement amending the Master Agreement Governing Major Capital Transportation Improvement Program (MCIP) with Dallas County for the purpose of transportation improvements on Skyline Drive, MCIP Project 11903, from Town East Boulevard to Peachtree Road.

Dallas County has traditionally participated with the City of Mesquite in project delivery and costs associated with Regional Transportation Improvements on roads identified in the Dallas County Mobility Plan. Proposed projects are submitted to the County by the City in a County Call for Projects. When individual projects are selected, a Project Specific Agreement (PSA) can be executed. The execution of the PSA for public transportation improvements on Skyline Drive from Town East Boulevard to Peachtree Road commits Dallas County to fund fifty percent of the paving and drainage costs up to a share not to exceed \$5,300,000.00. The PSA includes designating the City of Mesquite as lead agency.

Financial Implications

The City of Mesquite will be responsible for the remaining portion of paving and drainage costs along with one hundred percent of utility improvements and amenities for an estimated total of \$6,700,000.00.
