(Staff recommends all bids be rejected.)

Name of Department

Human Resources

The City offers a High Plan option and Low Plan option for Post 65 Retiree Health and Prescription coverage through The Hartford.

The Hartford recommended a 25 percent increase on premiums for calendar year 2023. To save the City's retirees a large percentage increase on their health insurance, the City decided to go out for bid. Once all bids were received, the City was able to negotiate a much lower agreed upon amount of 5.8 percent increase with The Hartford.

Financial Implications

Funding will be provided through the City's Group Medical Insurance Fund.

Recommended/Desired Action

Staff recommends all bids be rejected.
